

ShoptheQueensway.com 2018 Landscaping RFQ

The ShoptheQueensway.com BIA is seeking to retain a landscaper for garden and tree pit greens.

Background

The ShoptheQueensway.com's mandate is to create a vibrant area for businesses and entrepreneurs, Toronto residents, and visitors to the city. Our services to the community include neighbourhood marketing, street beautification, and our annual events.

For more details about the ShoptheQueensway.com BIA, please visit www.ShoptheQueensway.com

Project Scope: 42 in-ground planters and 22 new trees

- Monthly weeding and litter removal from May – September (5 visits)
- Watering once every 3 days recommended until plants established
- Watering planters bi-weekly once established. (6 visits max. June (2) July (2), August (2)).
- Annual mulching (1 per year – specify the mulch to be used in your proposal – eg. pine)
- Spring clean-up and fall winter prep including grass cutting/trimming

Proposal guidelines

Vendors must submit their proposals for planting and maintenance periods and include client¹ and photo references. Proposals must demonstrate experience, an interest in the area, and creativity.

Deadline to submit quotes and proposals

August 21, 2017

Selected vendors may be asked to present their proposal at an evening meeting to the Board of Management.
